ECOWAS Commission consulted cross-border agri-food inter-professional organisations in West Africa with a view to the emergence of inclusive regional trade

Family photo of participants after the official opening ceremony

This consultation, organized by the Commission of the Economic Community of West African States (ECOWAS), provided a framework for an institutional and organizational self-diagnosis of the functional or emerging cross-border agri-food inter-professional structures in West Africa... [Read more](#)

Regional trade facilitation in West Africa: the Regional Committee held its 4th meeting in Abuja, Nigeria

The conclusions of this 4th meeting will contribute to facilitate trade in West Africa

The 4th meeting of the Regional Trade Facilitation Committee examined the implementation of trade facilitation reforms under the WTO's Trade Facilitation Agreement (TFA) and the African Continental Free Trade Area (AfCFTA)... [Read more](#)

Fighting food crises: regional reference frameworks for local storage adopted in Lomé, Togo

The local storage memento was launched and copies given to stakeholder groups

Stakeholders and partners in the West African food system met in Lomé from 14 to 18 November to launch the local storage memento and finalise the charter on the operation of local stocks in West Africa and the multi-stakeholder framework...

Digital advisory services within FSRP: the Scientific and Technical Committee held its first session in Lomé, Togo

The members of the Scientific and Technical Committee of Component 1 of the FSRP

The Scientific and Technical Committee (STC) of Component 1 of the Food System Resilience Programme (FSRP) held its first session from 13 to 15 November in Lomé. The aim of the meeting was to provide the STC with a better understanding... [Read more](#)

48 students in Agrometeorology and Climate Change and Sustainable Development go back to school at the AGRHYMET Regional Centre in Niger

Some students from the two classes and the Administration of the AGRHYMET Regional Centre after the official opening ceremony

On 6 November 2023, the AGRHYMET Regional Centre of the CILSS, which is also the Regional Climate Centre for West Africa and the Sahel, organised a ceremony to mark the start of the academic year for the 12th year of the Advanced... [Read more](#)

Trade of agricultural products: ECOWAS intends to strengthen its partnership with WACTAF to collect data at borders

Trade of food products is intense between countries in West Africa

The Regional Coordination of the FSRP held a working session with a team from the Permanent Secretariat of the West African Association for Cross-border Trade in Agro-sylvo-pastoral and Halieutic Food Products (AOCTAH/WACTAF) in Lome on Friday 24 November 2023... [Read more](#)

ECHOS FROM COUNTRIES

Togo: FSRP makes its grievance mechanism operational at all levels of referral

A view of the participants during the capacity-building session for members of the FSRP Togo grievance committee.

The FSRP's grievance mechanism (GM) is a system for clarifying misunderstandings, dealing effectively and fairly with complaints, and resolving grievances and problems arising from project implementation. Divided into six categories of complaint, the GM functions as an early warning system... [Read more](#)
